

Further to your information request FOI/EIR 25/26-268, please find your question and our response below.

**Request:**

I would like to request some information from you under the Freedom of Information Act Data concerning the use of fixed penalty and penalty charge notices in your area.

I would like this information broken down by month from the latest available data stretching back to January 2022.

I would like the data laid out in a CSV and split up into the categories of FPNs i.e. the specific number of FPNs handed out for littering, fly-tipping, dog fouling, fly posting and graffiti.

I would also like to get the numbers of civil enforcement officers and ASB enforcement officers employed by the council for each month over the same period.

If the data exists, I would also like to know how many of these officers get assigned to street patrols per month.

**Response:**

See table below for the fixed penalties issued. Where, blank a fixed penalty has not been issued.

See below for the fixed penalties issued. Where, blank a fixed penalty has not been issued.

The council does not employ civil enforcement officers or ASB enforcement officers and has not done so over the period in question.

Please refer to the previous answer.
