Response:

Please see the attachment containing a list of financial contributions related to S106 agreements entered into in 2015 where contributions received are unspent either in part or in full. The attachment includes the planning reference, the date of the S106 agreement, the type of contribution, the amount secured (excluding indexation), the amount received, the amount unspent, and a repayment deadline (where one is defined).

Please note that some repayment provisions have additional qualifiers beyond a repayment or expiry date, such as being at the request of the party who paid the contribution. These are denoted by an asterisk, *.
